

NGBAP220, RE220 APU STAND

Bombardier: CRJ-700/900, CL-850, Global Express, Challenger 300/600/601/604/850

Gulfstream: G550, G650, G650ER, GV

One-Stand-Does-All! APU Transport, Storage, and Installation

This mechanic-friendly, RE220 APU Transportation Stand is meticulously designed to provide optimal support and safety during APU maintenance and handling. The containers are crafted from durable plastic, they offer exceptional strength and longevity while being lightweight for ease of use. A notable feature is that they include foldable sides for easy inspection, a document storage box, and a sturdy yet easily removable lightweight lid. They are also designed to be stackable, allowing for safe and efficient storage and LTL shipping. These stands offer unmatched durability, convenience, and time-saving benefits.
